PRICED AT \$3,599,000

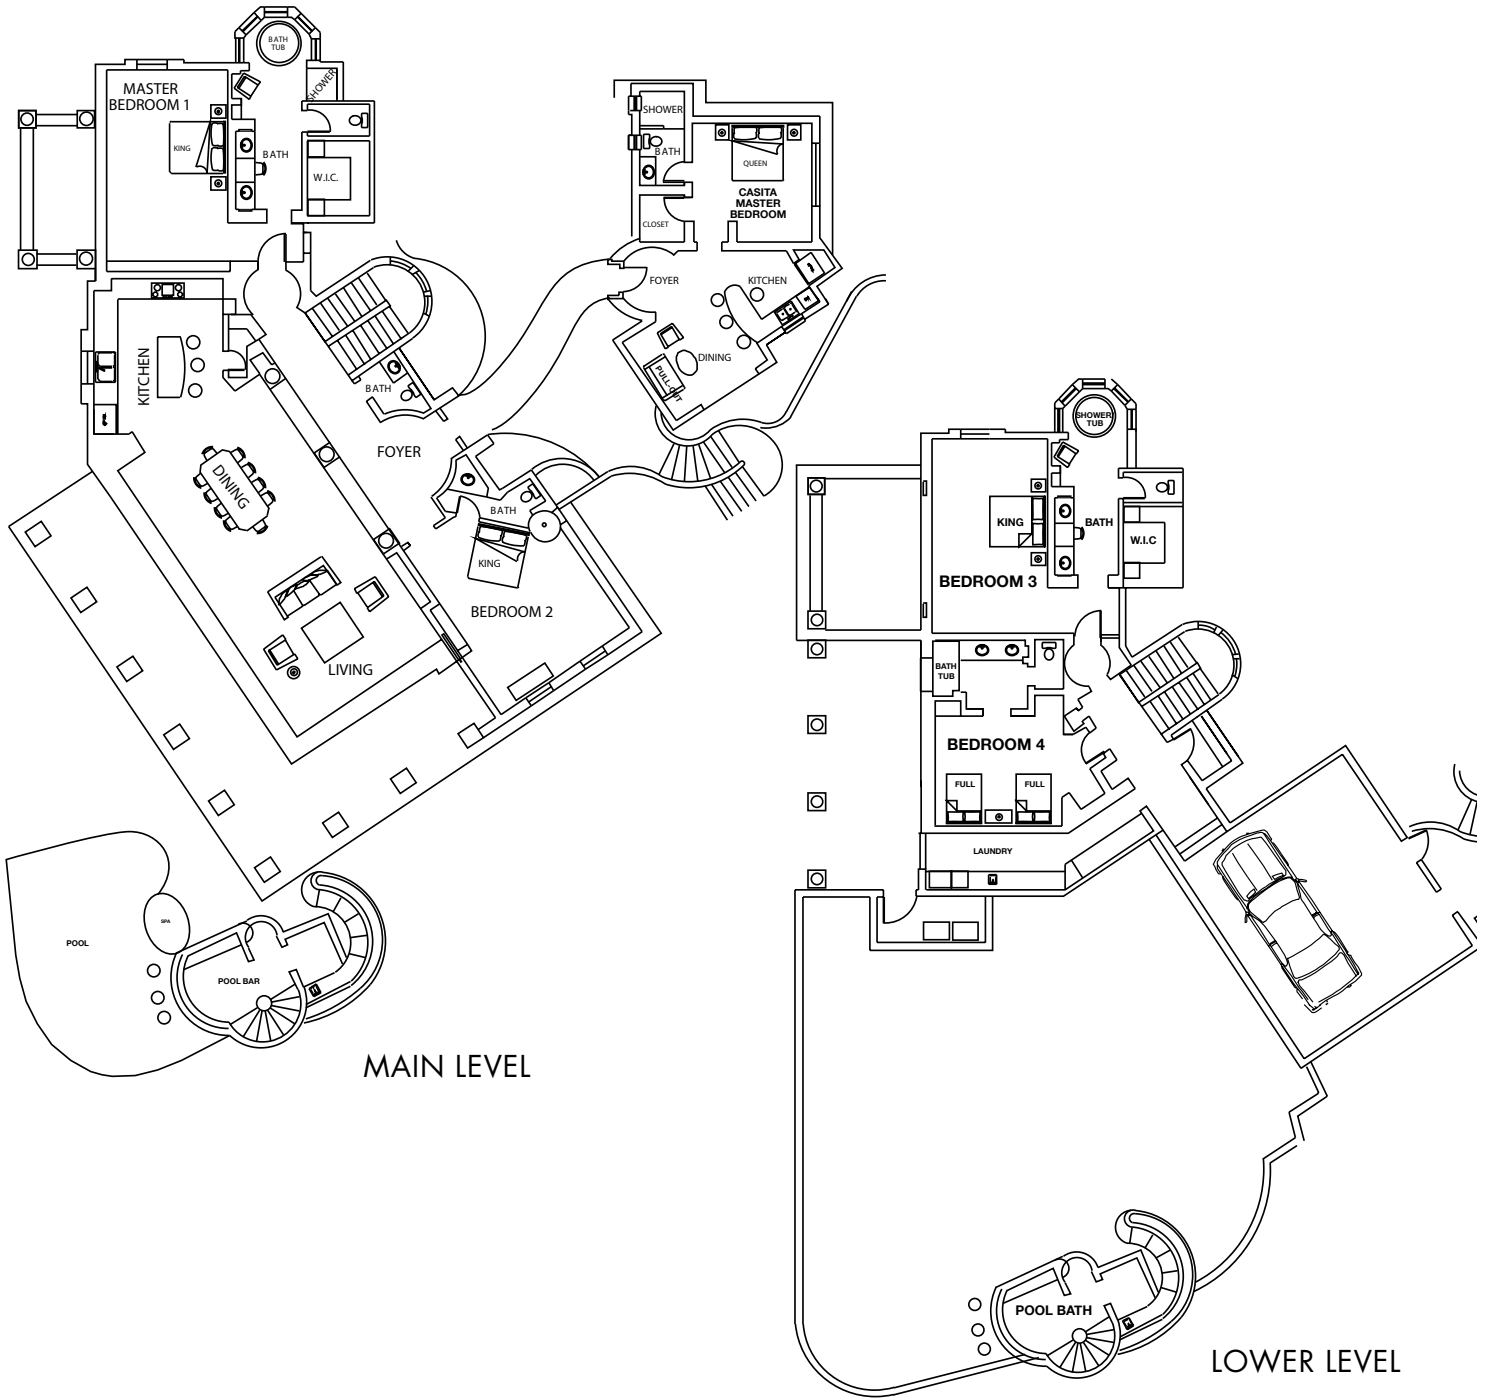

AMENITIES & ACTIVITIES

The world-renowned Jack Nicklaus Signature design Ocean Course stretches for more than a mile along sun-drenched shoreline and rock outcroppings, while the masterful Tom Weiskopf-designed Desert Course presents an inland layout with views of the sea from nearly every hole, taking advantage of natural river washes, dramatic bunkers and subtle elevation changes. Accompanying the setting of desert and sea is a 40,000-square-foot golf clubhouse within Cabo Del Sol...a unique building of distinctive Mexican design featuring spacious verandas, terraces with flowering gardens, indoor/outdoor dining, lounges and bars and a spacious golf shop.

Los Cabos is an unforgettable experience for the entire family thanks to its championship golf courses, incredible water sports, excellent sport fishing and gorgeous beaches.
